FORTUNE-BOOSTING CHARMS FOR NOVEMBER 2026

NOVEMBER ENERGY

November 2026 has a distinctive combination of symbolic themes: intuition and emotional balance through the number 11/2, reflection and relationship reassessment during the opening weeks, and a shift towards forward movement as Mercury and Venus turn direct.

CHARMS TO CARRY THIS MONTH

The Prosperity & Opportunity Charm

What you need:

- ✨ A small green or gold pouch
- ✨ A coin
- ✨ A bay leaf
- ✨ A small piece of paper

How to prepare it:

Write one realistic financial or professional goal on the paper. Place it in the pouch with the coin and bay leaf. Keep the pouch in your wallet, work bag or study space.

The Velvet Energy Garden

Suggested timing:

Thursday, associated with Jupiter, or 16 November, around the Mars-Jupiter conjunction.

November connection:

Jupiter is associated with expansion and opportunity, while the number 3 in the Universal Month calculation is associated with expression and creativity. Use the charm as a reminder to recognise opportunities and act responsibly.

The Velvet Energy Garden

Symbolic focus: Abundance, financial awareness and opportunity

The Intuition & Inner-Clarity Charm

You need:

✨ A small white, silver or violet pouch
✨ A dry lavender sprig, if available
✨ A folded note with the number 11 written on it

The Velvet Energy Garden

How to prepare it:

Place the lavender and note inside the pouch. Hold it while writing down one question you need to reflect on. Keep the note with you or beside your journal.

Suggested timing:

8 November, a date associated with 11 in certain numerological calendars, or the Scorpio New Moon on 9 November for a fresh intention.

November connection:

The calendar month is numbered 11, which some numerology traditions associate with intuition and inspiration. Its reduction to 2 emphasises emotional awareness and cooperation.

The Velvet Energy Garden

Symbolic focus: Reflection, intuition and discernment

The Love & Harmony Charm

What you need:

❤️ A pink or green ribbon
❤️ A small handwritten note
❤️ A dried rose petal, if available

The Velvet Energy Garden

How to prepare it:

Write one relationship quality you want to nurture, such as honesty, patience or mutual respect. Fold the note, wrap it with the ribbon and keep it somewhere personal.

Suggested timing:

Friday, associated with Venus, or 14 November. The charm represents your intention; it cannot make another person love you or guarantee reconciliation.

November connection:

Venus is associated with love, beauty and relationships. Its direct station on 14 November in Libra makes this a fitting symbolic date to review relationship intentions and consider how to nurture healthier connections.

Symbolic focus: Affection, reconciliation and self-worth

The Communication & Success Charm

You need:

🦄 A small blue or yellow pouch
🦄 A handwritten affirmation
🦄 A rosemary sprig, if available

The Velvet Energy Garden

How to prepare it:

Write a clear intention related to an interview, examination, presentation or important conversation. Place it i n the pouch and keep it near your notebook, desk or work bag.

Suggested timing:

Wednesday, associated with Mercury, or 24 November for a communication-focused reflection.

The Velvet Energy Garden

November connection:

Mercury is associated with communication, learning and trade. It turns direct on 13 November, while the Gemini Full Moon on 24 November highlights communication in modern astrological interpretations.

Symbolic focus: Clear speech, study, writing and professional confidence

The Courage & New-Beginnings Charm

You need:

🦄 A red or dark-coloured thread
🦄 A small key or another ordinary personal token
🦄 A note with one action you have been postponing

How to prepare it:

Tie a single loose knot in the thread around the note or keep the thread beside the key. Write one achievable step towards a goal and complete it before the month ends.

Suggested timing:

Tuesday, associated with Mars, or 16 November. Treat the charm as a reminder to take practical action, not as protection from all obstacles.

The Velvet Energy Garden

November connection:

Mars is associated with initiative and courage. The Mars-Jupiter conjunction on 16 November symbolically suits a commitment to purposeful action, while Uranus trine Pluto on 29 November is interpreted in modern astrology through change and innovation.

Symbolic focus: Confidence, resilience and decisive action

HOW TO USE?

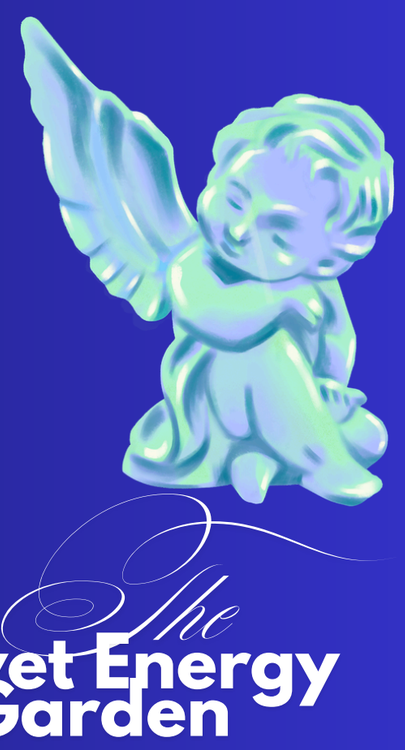

Place one or two of these charms in your pocket, purse or under your pillow for enhanced awareness and spiritual alignment. Begin the month by holding the charm, taking three deep breaths, and affirming: “I open to vision, insight and transformation.”
